THE PROGRAM:

The Intern Program is designed to teach young artists discipline, responsibility, and confidence! Once the program begins, interns will be assigned a staff member to shadow based on interests they choose on their application. Interns will get the opportunity to *literally* create a show from scratch right along with the directors. Whether it be scenery, costuming, stagehand, lighting or sound, every intern - with staff guidance - will be responsible for various aspects of the production process.

Interns are *not* required to perform in a show, but are encouraged to do so!

THE INCENTIVE:

Participating in the Intern Program will not only teach you the ins and outs of live theatre, but will be tremendous experience for a resume!

At the end of the 2019 season, one boy & one girl intern - who work the hardest and shine the brightest - will each be awarded **a $1,000 scholarship** from The Park Theatre Group. NOTE: Scholarships recipients will be decided by the Park Theatre Group Board!

Also, each intern who successfully completes their season will be presented with *full* letters of recommendation from the DRG/PTG Directors.
